Chihowa Retreat Center

RELAXING | INSPIRING | REFRESHING

COVID RESPONSE

The COVID-19 pandemic has prevented us from hosting the camps that we all enjoy. Our summer calendar was cleared in an effort to keep everyone safe and healthy, knowing that protecting those who are more likely to be exposed in a resident camp environment is critically important. While this has dramatically affected the summer camping season, it has also allowed us to reconsider the many opportunities we have to be a light in our community. We are using this time to perform many maintenance items, become engaged in our local business community, and consider how the retreat center may be used in new and innovative ways to help spread the love of Jesus Christ.

Donate Now

The generosity of donors like you make Chihowa Retreat Center a place for all to escape the stresses of everyday life. Without your support, financial and otherwise, Chihowa could not promote communities of joy, hope, love, and peace.
Please send all donations to the Midlands Mission Center, but make check payable to:

Chihowa Retreat Center
7615 N Platte Purchase Dr.
Kansas City, MO, 64118

Volunteer Spotlight

Brian Fuller has been an exemplary volunteer, and we want to thank him for his service. Brian has shampooed the carpets in the main lodge, fixed essential equipment, and helped maintain the grounds. Thank you for all you've done Brian.

Finished Projects

Employees and volunteers have been working hard to create a better experience for you. You can now swing on brand new playground equipment and sleep comfortably on new wooden beds, Thank you to the Community of Christ R/V Association and all others who contributed.

IN THE WORKS

There are many projects that we hope to complete soon. We look forward to seeing the smiling faces of children (or those young at heart), playing in the soon-to-be-completed gaga ball pit and nine square court. We're also excited about the forestry service initiative, and hope to see you all enjoying our campground very soon.
